Applicant Profile

Project Overview

Rohit has built a fully responsive social dashboard with real-time updates, interactive charts, and advanced filtering.

Submitted On
08 Aug 2024, 09:15 PM

Time Taken
3h 45m

Tech Stack
ReactJS, NodeJS, ExpressJS, MongoDB, Socket.io, Recharts, Auth0, TailwindCSS

Live Demo
<https://rohit-dashboards.dex>

About Submission
Built a responsive dashboard with real-time data using Socket.io, charts using Recharts, authentication, and advanced filtering. Implemented dark mode and mobile responsiveness.
