Submit Your Solution

Showcase your skills and submit your best work

Draft saved

1. Rules & Guidelines

Please read the challenge rules carefully before submitting.

- Your solution must be original and created by you.
- You can use any tools or technologies.
- Plagiarism or copying will lead to disqualification.
- Deadline: 20 May 2025, 11:59 PM IST
- Be professional and showcase your best work.

☑ I have read and agree to the challenge rules and guidelines.

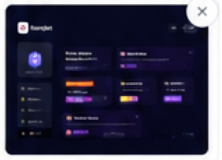

2. Cover Image (Optional)

Upload a cover image that represents your solution. This will be visible to everyone.

Upload cover image

Recommended: 16:9 ratio, max 5MB (JPG, PNG, WebP)

Choose File

3. Problem Statement

Explain your approach and how your solution addresses the problem.

B I U Normal

Write your solution approach, thought process, and how it solves the problem...

0 / 2000

4. What did you build?

Describe the key features and what makes your solution stand out.

Highlight the main features, user experience, and your key learnings...

0 / 1000

5. Links to Your Work

Add links to all relevant resources. Add at least one link.

Challenge Overview

by DesignPro Labs

Closes in	5d 12h 45m
Participants	1,234
Difficulty	Hard
Reward	500 XP

What the Challenger Expects

- A fully functional, responsive website
- Clean and modern UI/UX
- Good code structure & best practices
- Proper documentation
- Deployment on any platform
- Bonus: Add animations and interactions

Submission Tips

Be original
Create your own solution and showcase your unique approach.

Show your process
Explain your thinking and approach in the problem statement.

Quality over quantity
Focus on quality, user experience, and code quality.

Test thoroughly
Make sure your solution works perfectly before submitting.

How Privacy Works

You're in control
You decide what information is visible to others on Ranqlet.

More badges, more visibility
Earning more badges increases your visibility in the community.

You can change anytime
Update your privacy settings anytime you want.
